From the desk of the Principal

This is another edition of "News from St. Paul's" bringing to you the latest updates of St. Paul's College alumni from different generations across different continents. Here, readers will find not only news and photos of old acquaintances (and former teachers) whom they might not have seen for a long time, but also a rare glimpse of College life in the 50s from the recollections and photos by our 1954 graduates.

2015-2016 has again been another busy year for the College. We have been through two major reviews back to back in this academic year. First, it was the Quality School Improvement Project (QSIP) in which we invited a group of consultants from the Chinese University of Hong Kong to review the work of our four major departments, namely, English, Chinese, Mathematics and Liberal Studies. Then, it was the External School Review (ESR) in which a team of reviewers from the Education Bureau carried out a four-day school inspection of the work of the College. With recommendations from these reviews, the College is ready to move forward to make further improvements.

With the extension of wifi network covering all the classrooms, laboratories and special rooms, the College is ready to take better advantage of e-learning technology to enhance administrative, teaching and learning efficiency. The former Language Laboratory will be converted into an e-Learning Centre equipped with thirty-five ipads (iPad Pro with an Apple Pencil and a smart keyboard), movable desks for different configurations of classroom settings and glass / whiteboard wall panels for students to brainstorm ideas or do presentations. MacBook Pro will also be installed in the current Multimedia Learning Centre (MMLC) for teaching digital arts and video making. These are just some of the steps towards providing a better teaching environment for teachers to adopt more interactive teaching strategies in lessons.

Many science teachers have already attended the summer academy organised by Apple to get more updated ideas on teaching and learning with iPads. A new initiative is also experimented by the Music Department. Many alumni perhaps still remember the good old days when they had to bring their own musical instruments to school for their music examination. Now, students will soon be

able to record their own performance at home and submit it via the YouTube links. Roll call, the act of calling out each student's name for teachers to mark on the class register, will become a thing of the past because it will be done electronically in the new academic year. More recent graduates should also be happy to know that we are installing body temperature detectors at school entrances to phase out the unpopular temperature record forms.

While we are working hard to bring our teaching and learning into the 21st Century, we are also mindful of our long history. With the help of a lot of students, alumni and former teachers, the Heritage Project, led by our Head of History and sponsored by the St. Paul's College Foundation Limited, is near completion. The project features a heritage trail with various checkpoints in the school campus representing different milestones in the long history of the College, an archives system, a website for people to enjoy the various photographs and artefacts collected, a museum gallery in Wong Ming Him Hall and the authoring of a teaching pack on the history of the College.

I of course cannot end this message without an appeal to all alumni to join our 165th anniversary celebrations: the Exhibition Day on 19th November, 2016, the Concert at the Concert Hall of the Hong Kong Cultural Centre on 6th December, 2016, the Reunion Dinner at the Hong Kong Convention and Exhibition Centre on 11th December, 2016 and the Carnival on 11th February, 2017. The overall theme of these celebrations is "The Pride of St. Paul's Boys" and each event displays a particular quality that characterises our graduates: unity (brotherhood), creativity, diversity and vitality. We have been working incredibly hard to show you what St. Paul's College is capable of achieving and I hope you will celebrate the anniversary together with us.

YUEN Dick Yan Dennis

SPCAA NEWS

The Annual General Meeting of St. Paul's College Alumni Association

The AGM was held on 5th December, 2015 in the Wong Ming Him Hall. In the meeting, the SPCAA Chairman Taylor Hui reported events held in 2015. Alumni also discussed the plan for 2016, especially about the celebration of the alma mater's 165th Anniversary. After the end of Meeting, alumni went on to participate in the SPC Foundation Wine Appreciation and Dinner at School Hall.

SPCAA Running Team joined the Ultramarathon Relay Race

After the formation of the SPCAA Running Interest Group, some team members first time joined together to participate in the Ultramarathon Relay Race on 26th September, 2015 in Kwai Chung Sports Ground. They were Terence Kam (Class 84), Raymond Chan (Class 84), Tony Lo (Class 85), Billy Ng (Class 86), Kenneth Lo (Class 86) and Louis Tse (Class 02). In this relay race, each team sent 6 runners and each ran 30 minutes in the running tracks one by one, for a total of 3 hours. The team which completed the most laps would be the winner of the relay race. Finally our team completed 85 laps and ranked 18th out of the 53 teams. This is an amazing result but in fact we aim for fun and boost the SPC brotherhood! We are looking forward to form more teams to join the relay race in 2016.

Friendly football and table-tennis matches with other boys' schools

Many alumni must know that we have a SPCAA Football Team now. At the end of March 2016 we had over 190 brothers enrolled to the team. We organize football games almost every week and the opponents include other boys' schools such as our Sai Ying Pun neighbor St. Louis School, La Salle College, and Salesian School. It is always fun playing with them as you can see in the photographs. Old boys from St Louis came to our Lower Playground to play and said it was the first time they played watermelon balls and they were not easy to control. Because of the neighborhood, we also organized table-tennis and basketball matches with St Louis. We have said to all of them, "it is just the beginning". There must be more friendly matches of all types of sports to be organized with old boys associations of many more schools. Even if you don't play sports, you are always welcome to support and cheer for our SPC brothers.

SPCAA Running Team joined charity running races

12 alumni ran the "Lions Run for Hospice" 10km charity race on 12th March, 2016 along Tolo Harbour. Kevin Poon (Class 02) did a very good job to finish the race in 38 minutes 24 seconds and was the fastest in his age group. Kevin, a certified professional trainer is our coach organizing free running training class in Causeway Road Sport's Ground (opposite Victoria Park) for SPC alumni almost every Saturday morning. If you are interested in joining this healthy event, please feel free to contact Clement Leung at 90428068.

On 24th April, 2016 SPCAA runners also participated in "Go Fun Fearless Dragon Charity Run 2016" organized by HK Network for the Promotion of Inclusive Society Limited whose Chief Executive is Mr. Kim Mok of Class 86. In addition to 10km race, there was also a 1km x 4 relay race in which our SPCAA Chairman Mr. Taylor Hui (Class 85) participated. Taylor was also one of the guests presenting trophies in the event.

Watermelon Cup 2015

Prime Division (15th November, 2015)

<i>Watermelon Cup</i>	
Winner	Class 1992
First Runner-up	Class 1993
<i>Watermelon Bowl</i>	
Winner	Class 1990
First Runner-up	Class 1991

Youth Division (22nd November, 2015)

<i>Watermelon Cup</i>	
Winner	Class 1996
First Runner-up	Class 2009
<i>Watermelon Bowl</i>	
Winner	Class 2001
First Runner-up	Class 1995

Supermelon Cup 2016

The Supermelon Cup 2016 was held on 13th March, 2016 in Lower Playground though there was light rain. Participating teams were winners and first runners-up in the Watermelon Cup 2015 Cup games and Bowl games, including Classes 90, 91, 92, 93, 95, 96 and 2001, and Team 81-89 United by invitation. The final results are:

Supermelon Ultimate Shield Winner: Class 96 (96 vs 90 2:0)

Supermelon Cup winner: Class 96
First runner-up: Class 91

Supermelon Bowl winner: Class 90
First runner-up: Class 95

Congratulations to Class 96!

Why SPCAA Football Team always wins?

Salesian School hosted the Father Yuen Memorial Cup on 6th December, 2015 and SPCAA Football Team was invited. With our hat-trick hero Kevin Chui (Class 81), our team lifted the silverware!

There was a friendly football tournament held in Joint Sports Centre in Kowloon Tong on 30th January, 2016. In addition to SPCAA Football Team, there were City University Staff Association (Billy Hung of Class 78 is the organizer), St. Joseph's College Old Boys and New Methods College Old Boys. Again, SPCAA got 2 wins and 1 draw and won again!

SPCAA Football Team visited SPC Primary School

To promote happiness to our young brothers near Christmas, our team visited SPC Primary School on both 18th December and 21 December, 2015 to play against school teachers and SPCPS Football Team.

The Alumni Choir

The number of Alumni Choir members keep growing and the quality of our singing has continued to improve, thanks to our dedicated choir members. From gathering every 5 years for our anniversary concerts, the Alumni choir has been a lot more active and has participated in the following events over the last 2 years:

The First HKSKH Schools Alumni Choral Festival (June 2015)

Carol Services with current students at St. Paul's Church (December 2015)

The Choir also sings regularly for church services at St. John's Cathedral, St. Paul's Church and St. Mary's Church.

St. Paul's College Summer Concert 'Metamorphosis' (July 2015)

'From Baroque to Pop' concert by Choi Kai Yau College of the University of Macau (February 2016)

The Alumni Choir also arranges informal concerts. In April 2016, the Alumni Choir organized a first ever concert for alumni's families and friends at St. Paul's College Primary School, when all young and old singers were in their casual wear and sang some favorite songs. It was a wonderful and enjoyable afternoon with full house of audience. Apart from singing, we meet up regularly for social functions and eating is a big part of it!

Coming next, the Alumni Choir will go to Chaozhou in September 2016 to have music exchange with the Shantou city choirs. Later in the year, the Choir will also feature in the 165th Anniversary Concert in December 2016 at the Hong Kong Cultural Centre.

We look for more support and please come and join us! Simply contact Sam Chiu (Class of 1997) at 9424 7132/ samtschiu@yahoo.com.hk or Wong Siu Man (Class of 1992) at 9721 9364 siuman_wong@yahoo.com.hk for more information.

You can also buy a copy of our CD - 'GO, TELL IT ON THE MOUNTAIN' in which more than 15 winning songs from the Music Festival were recorded including our beloved College Song and La Famiglia! Just contact our representatives!

Spring Dinner

The SPCAA Spring Dinner was held on 5th March, 2016 in our School Hall, with over 160 participants. This time we had tables formed by the Alumni Choir and SPCAA Football Team, and of course we had retired teachers joining us. In addition to the delicious food and drinks, Wong Kai Kong (Class 2002) shared with us his life and death experience in joining the "Hong Kong 100" long distance run in Tai Mo Shan on the coldest day of Hong Kong in the recent decade, and Dr. Willis Kwok Wing Hong (Class 1990) who is an emergency unit doctor giving advice on fighting for life in the severe weather. The short talk was serious but also fun. Thanks to Anthony Cheng (Class 1994), Raymond Ho (Class 1995), James Chan (Class 1987) and Ringo Yung (Class 1994) who are the key brothers in organizing this event successfully.

The Summer Concert 2015 - Metamorphosis

The Summer Concert 2015, jointly hosted by the College and the Alumni Association at the Grand Hall of The University of Hong Kong on 7th July, 2015, was a huge success. It did not only provide a platform to celebrate the music talents of students and alumni, but also an opportunity to celebrate friendship and brotherhood across the St. Paul's College family. Thanks to all members working, helping and participating in the concert, we put together a wonderful music programme with a full house of audience. Once again, it was a powerful display of our St. Paul's spirit.

News from Alumni

1954

Chung Kwok Sang shared with readers his recent gathering with his class and his precious class 1954 photo.

Class 1954 photo with Mr. E.G. Stewart.

Mr. E.G. Stewart's signature on the back of the photo.

1954

SOME RECOLLECTIONS OF A FORMER ST PAUL'S BOY

I have been living abroad since the early 1970's and have returned to Hong Kong now and again, not so much as a tourist but as a former resident visiting family and friends. My main interest was more in the change of Hong Kong in terms of its growth and development for the people living therein than in its commercial aspects for sight-seers and bargain seekers.

My particular interest was in the area where I grew up in, and received my formal education. It was the Western District of Hong Kong, and particularly in the mid and upper level where Bonham Road forms the main thoroughfare.

This time, in January 2016, I planned to take a walk along Bonham Road, from the MTR Exit to the end adjoining Pokfulam Road.

Soon after I started, I ran into two students from St Paul's and a teacher. The sight of the boys in their school uniform reminded me of my old days at St Paul's. All of a sudden, my mind flashed back three quarters of a century to when I was a young student.

My mind actually went back some more years. I could remember roughly the schools situation in the area where my family lived, at the start of and during the period of the War in the Pacific in the early 1940's, some schools had to close while others continued but with modifications due to changing circumstances. I could remember having to change schools a few times before I found myself in St Paul's Co-educational College. It was a state of affairs that I was too young at that time to understand, though eventually old enough years afterwards, to comprehend. St Paul's was one of the schools that had to close at the start of the War; but merged after the War with St Paul's Girls' School to form St Paul's Co-educational College.

In 1950, St Paul's College restarted at the present Bonham Road address under the Headmaster, E G Stewart. A group of teachers and most of the boys, including myself, who were ready for secondary school moved over as well from the Co-educational College. Our group became the first class of Form One, and progressed with the re-established school year by year. Incidentally, the "new" school was referred to, for decades, by local residents and by us students, as St Paul's Boys' College, as distinct from St Paul's Co-educational College.

The long journey of recovery and growth reached an encouraging stage in the summer of 1954 when our class of twenty-nine Form V students sat for the School Certificate Examination.

Among the results published in the newspapers was the list from St Paul's College. The fine results, as shown by the long lists of Credits and Distinctions gained by students, not only confirmed the re-emergence of the School but put it among the best in Hong Kong. Our Headmaster and his team of teachers must have breathed a sigh of relief yet with a feeling of pride and joy at our performance in our first public examination.

The later part of 1954 saw the beginning of the gradual break-up of our group that had been together since, and even before, St Paul's re-started. We began to go separate ways. Those of us who stayed for matriculation stayed together for some more years. Sadly, our contact with our school was minimal. There was no Students Alumni. Any contact with the school was personal and erratic. The last link I myself had with the School, was in my first days in the University, during the days of Revd. Speak, the new Headmaster, when I wrote an article for the school magazine about my feelings and first experience in a new environment.

Fortunately for our group, a complete breakup was avoided. One of us compiled a list of the graduates and sent each of us a copy with our contact details. This succeeded in helping us in liaising with each other.

Some of us managed to meet on various occasions. Besides the usual jovial stories we liked to remind ourselves of, the more serious matters of our education we received were not altogether forgotten. Many expressed their feelings of gratitude, for not only the academic tuition they received, but also the other aspect of education that prepared them to be citizens of the world, those subtle hints of civility or propriety that teachers instilled in their minds in the course of ordinary school lessons. I remember our church service every Wednesday afternoon in the church right next to our School, when we received moral and spiritual guidance.

These were my thoughts and what my memory could recall on that January afternoon and in the following days when I thought about them. The little happenings in those school years added up to form my memories of St Paul's.

Mr. Lee Ching Tat and his family moved to Perth, Western Australia in 1970. He was a professional librarian in the W.A. Institute of Technology, which developed into the current Curtin University in 1987. He was the Acquisitions Librarian dealing with library book budget and collections. He retired in 1996.

Lee Ching Tat

1966

Class of 66 Report – June 2016

Again this past year the Class of 1966 showed itself to be one of the most active classes, with many activities such as trips out of Hong Kong, hikes, lunches and dinners. Two trips in 2016 took place with classmates and their wives participating. In January to the Maldives, a country made up of more than 1000 islands located in the Indian Ocean southwest of Sri Lanka, and in April to Henan province in central China, a less frequently visited area of China compared to other parts.

The biggest attraction in the Maldives is diving, and the alumni certainly enjoyed this activity. Those who went included Joseph Ip Chung Sang and his wife Sibia, Lawrence Ip Ka Lam, Frederick Kan Shiu Cheong and his wife Evelyn, Patrick To Pak Wo and his wife Miranda, Tsang Tak Sing and his wife Yuet Sim, and Sonny Yau and his wife Cecilia. Also Winston Poon from the Class of 1964 joined the happy group.

Lawrence Ip reported that they were seven nights on a 147-foot cruiser, "Maldives Princess" (www.maldivesprincess.com) and visited several atolls. Their most memorable dive was a night dive amongst dozens of 2-meter nurse sharks (fortunately friendly!). On one day dive, huge manta rays (more than 3-metres from wing tip to wing tip) swam gracefully in circles above the divers. One night the crew put up a large spot light at the stern of the cruiser. This bright light attracted a large amount of plankton near the sea surface. This in turn attracted a big manta ray to feed on them, opening its mouth wide and somersaulting repeatedly so as to scoop up all the plankton at the sea surface. When all the plankton were consumed, it swam away gracefully. As more plankton accumulated, another big manta ray came and repeated the same awesome feat. What an incredible sight and experience to witness this! Awesome indeed. Another interesting event was a BBQ dinner on a deserted island, a rare treat.

In April seven alumni and five of their wives, together with a few other friends, enjoyed a 5-day trip to Henan Province in China. The seven alumni included

Jospeh Ip Chung Sang, Lawrence Ip Ka Lam, Lo Chun Ki, Henry Shum, George Tang Kwok Wing, Patrick To Pak Wo and Sonny Yau Tai Lin. This was an unusual trip not intended as a visit to run-of-the-mill touristy spots but planned with special emphasis on locations famed as being the cradles of Chinese civilization.

Patrick To reported that in the five days, they visited Anyang, the National Writing Museum, Xuchang City Museum, Yecheng Museum, Henan Museum in Zhengzhou, the UNESCO World Heritage Sites of Yin Xu Museum, the Ruins of the Shang Dynasty and the Longmen Grottoes in Louyang city. In contrast to so many museums and historical sites, they concluded the visit to the annual

peony flower show in Louyang city, with its beautiful and spectacular displays of flowers. This trip and its immersion in Chinese culture and civilization certainly helped to brush up their knowledge and re-ignite their interest in Chinese history, long lost in the dust of the attics of their memories since leaving St. Paul's College many years ago.

The photographs here give a good idea of these two trips. Anyone wishing for more information about such trips can contact the News from St Paul's.

1968

Dr. Freddie Fu and his wife Hilda have lived in Pittsburgh, Pennsylvania, USA for more than 40 years. Hilda is a graduate of St Stephen's Girls' College, and Freddie, as a graduate of Dartmouth College and an orthopaedic surgeon, has achieved worldwide fame. He has often been pictured in our St Paul's News. Freddie is a Professor at the University of Pittsburgh and among other things, Head Team Physician for the University's Athletic Department.

In February 2016, for the first time, Pittsburgh had a

Chinese New Year parade. Freddie and Hilda were chosen to be Parade Marshalls. The parade included government officials as well as academic groups from the five universities in the city and of course representatives of business associations. This was a big honor not only for the Chinese community but also for Freddie and Hilda. The Chinese population of the Pittsburgh area continues to grow, and such universities as Carnegie Mellon and the University of Pittsburgh all play an important role. Freddie and Hilda continue to play important roles as well obviously. This photograph shows Freddie and Hilda leading the parade.

On 8th July, Dr. Fu was inducted into the American Orthopaedic Society for Sports Medicine's (AOSSM) Hall of Fame in Colorado Springs, CO. Formed in 1972, AOSSM has become known as a world leader in sports medicine education, research, communication and fellowship. The Hall of Fame honor goes to individuals who have made a substantial contribution to the field.

"This is the first time that anyone from Pittsburgh has won this award," says Dr. Fu, who previously served as AOSSM president from 2008 to 2009.

A Hong Kong native, Dr. Fu studied at Dartmouth College and Dartmouth Medical School. He earned his medical degree from the University of Pittsburgh in 1977, and completed his general surgery internship at Brown University. He then returned to Pitt for an orthopaedic research fellowship and to complete his orthopaedic residency training.

1969

Professor Cheung Nai Ho (5F, 1969) of Physics Department of the Baptist University has been awarded a gold medal at the recent 44th International Exhibition of Inventions of Geneva in April, 2016. The Gold Medal in Computer Sciences Category "Novel Laser Analytical Technology" recognized his invention of laser work to assess the age of antiques.

1971

Leo Lo to Receive Lifetime Achievement Award at Global Short Film Awards Gala in Cannes

Award-winning animation and special effects producer Leo Lo received a lifetime achievement award recognizing his outstanding contributions to the film industry. The Global Short Film Awards gala event was held on Saturday 21st May, 2016 at the Intercontinental Carlton in Cannes, France.

Mr. Leo Lo's accolades and awards include:

- For the animated TV series Life in the The World of Dao: 2011 Guangdong Best Animation Team and Best Animation second prize; HKPC Prize for Efforts; Japan TBS Digicon6 – Best Effort Excellence Prize.
- For the 3D animated feature movie The Adventures of Jinbao: 2012 HK Cyberport Stereopic Award – Excellence; 2012 Golden Angel Award – Los Angeles; 2013 HKSAR Government, ICT Award.
- For the live action historical Iranian film Kingdom of Solomon: 2012 Best Visual Effects Iranian International Film Festival – FAJR; Iranian Golden Phoenix Award for Best Visual Effects.

1975

It has been 40 years since our graduation in 1975, a big gathering event was held on 28th November, 2015 at the School Hall for the Form 5 (1975) and Form 7 (1977) graduates. It started with a happy hour singing by our own band 'The Young Ones', a guided tour around the school premises, photo-taking and a dinner buffet packed with happy and memorable performances and programs; around 100 alumni and teachers attended and enjoyed the function very much.

1976

William Ko shared with readers his year's activities. Class of 1976 went back to the College on 30th April, 2016 to play water melon ball. Mr. Chow Hoi Ping and Mr. Ho Ting Hoo were invited as their guests. Fu Gor made a special appearance.

Lunch with Mr. Emerson on 23rd February, 2016

Lunch with Mr. & Mrs. Too on 13th April, 2016

Dinner with Mrs. Grace Payne and Mr. Graham Thomas in London on 26th March, 2016

Visited Mrs. Payne in her London home on 15th March, 2016

Lunch with Mr. Lo Kwong Fung and Mr. Ho Ting Hoo on 19th April, 2016

With Mr. Cheong Chee Lup on 5th April, 2016

Lunch with Ms. Bonnie Siu on 26th February, 2016

Dinner with Ms. Cynthia Lui on 13th May, 2016

1986

Yeung Man Tat, Philip shared with readers family gathering party with 1986 Form 5B classmates celebrating Easter Holiday in March, 2016. This year also marked our 30th Anniversary of our Form 5 graduation. We had over 25 people in this Easter Gathering Party.

SPC86 5B Easter Party

Philip also shared his student picture back in 1976 when he was primary two and student picture of his son Yeung Ho Lun 2A taken in 2016. See how alike they are!

1991

On 8th August, 2015, Ian Woo (5E, 1991) got married with Ms Joann Liu in Los Angeles. A group of his former classmates, fellow scout members from our 10th Hong Kong Group and their families flew over from different parts of the world including Hong Kong, Toronto, Calgary and Laos and witnessed the happy occasion. This picture was taken in the post-wedding party held in Ian's house. It was indeed an amazing experience to have a big reunion in LA.

Top row from the left: Ambrose Au (4B, 1990), Harris Choi (5A, 1991), Michael Cheng (7C, 1993), Steven Li (7C, 1993), Lawrence Tse (5B, 1991), Simon Tsui (7B, 1993), Benny But (5A, 1991), Denny Lam (4F, 1990), Alan Yuen (7C, 1993), Danny Lau (5B, 1991), Heath Cheung (4B, 1990)

Second row from the left: Herbert Au-Yeung (7A, 1993), Eric Yip (5E, 1991), Ian Woo (5E, 1991), Raymond Tam (3C, 1989), Andy Yuen (4E, 1990), Boris Ho (7B, 1993) and Tony Wong (5D, 1990)"

1994

On the wedding day (2015.11.23) of Maurice Ng Ip Wang (F.5 1994), the buddies in the same "E" class (1E,1989-90 to 3E 91-92) were having a great reunion together with the four "horse" (born in the year of Horse, obviously) little Paulines.

From left: Fung Chi Keung, Leung Chi Wai, Ethan, Hung Tin Ting, Marvyn and Poon Wai Hoi, Bobby (1994) and sons: Pontus Fung, Damon Leung, Marcus Hung and Cedric Poon

To celebrate our 25th anniversary of Form 5 graduation from our alma mater, the class of 1991 held a reunion dinner on 16th April, 2016. Over 90 fellow former classmates (including two girls who joined us in Forms 6 and 7) and more than 60 family members joined this dinner. We were also honoured by the presence of 16 former teachers. They were Mr. Wong Hon Wing, Mr. Yuen Chik Kam, Rev. Jenny Nam, Mrs. Diana Hung, Miss Josephine Ho, Mr. Lo Kwong Fung, Mr. Chan Lim Huen, Mr. Cheung Chee Lap, Mrs. Judy Chan, Mr. Raymond Fu, Mr. Chow Hoi Ping, Mr. Chiu Kam Wah, Mr. Paul Ho, Miss Fung Wai Chu, Mr. Boron Li and Dr. Tam Cheung On. Fu Gor was also there! It was a golden opportunity for us to thank our teachers again and we were very glad to have a good chat with them once again. The night was filled with laughters and old stories. This is certainly a night which we all treasure.

Ken Cheung shared with us a few photos of the Flame of the Forest trees around the SPC campus in May.

1995 Reunion

Our Class (1995) had the 20th reunion on Halloween 2015 in the College. About 60 classmates turned up in the reunion. We had a school tour in the afternoon and a dinner in Hall. In the dinner, our classmate Paul Lee delighted us with erhu performance and we enjoyed that great evening very much. We all look forward to see more classmates in 2016, in the College 165th Anniversary activities.

Top Row: Victor Lee Ho Fan, Derek So Ka Tsun, Sunny Kan Chu Kwong, Alan Wong Kar Lun, Tony Wong Chun Tung, Derek Cheung, Dennis Wong Wai Hong, Wong Chun Man, Alan Wong Shui Lun, Jeffrey Mark Yu Fai, Jesse Lee Koon Yeung, Chester Woo Yick Chung

Fourth Row: Raymond Ho, Chow Kam Fai, Angus Hui Wai Lun, Alan Yip Ka Yan, Johnathan Yeung Chi Yung, Peter Kung Man Hoi, Cliff Wong, Albert Lee Lap Hang, Samuel Wong Shek Wing, Alan Wong Wing Lun, Tso Dart G

Third Row: Edrick Yu Sze Ming, Andrew Choi Kam Ming, Andy Au Ka Wai, David But Yiu Kuen, Rico Lai Siu Kei, Steve Tsui Siu Hang (Class 91, 1E Class Prefect), Charles Chung Chun Ting, Samuel Lam Wai Keung, Thomas Lee Siu Wing, Alex Lung Sai Leung

Second Row: Ben Au Chu Kong, Hui Ka Chun, Chan Hiu Fai, Harvey Yeung Chun Man, Anthony Lai Ming Wai, Chan Sze Kin, Patrick Lok Wah Bong, Angus Yan Ho Yin, Desmond Tang Chu Yan, Alex Tang Chi Chung, Derick Law Lik Hang, Albert Yu Ho Yin, Paul Lee Ka Kei, Marco Tam Chi Shun, Gorden Li Kwong Leung, Brian Au Yeung Wai Lok

First Row: Mr. Ho Ting Hoo, Mr. Chan Lim Huen, Mr. Yuen Chik Kam, Mrs. Diana Hung, Mrs. Shirley Yung, Mr. Dennis Yuen Dick Yan, Mr. Williamson, Mr. Cheong Chee Lup, Mr. Boron Li, Mr. Paul Ho Hung Kin, Mr. Chow Hoi Ping and Miss Josephine Ho.

1996 Reunion

Class of 1996 Graduation 20th Anniversary Home-coming Dinner

The Class of 1996 had a fabulous home-coming dinner on 19th March, 2016 in our School Hall. Over 50 brothers attended with their love ones. The Hall was filled with laughters of our second generation.

We were particularly delighted to have a good number of our teachers joining the big party: The Principal Mr. Dennis Yuen, The Vice Principal Mr. Michael Mak, The Assistant Vice Principal Mr. Wong Wai Hou, retired teachers Mr. Raymond Fu, Ms. Josephine Ho, Mr. Boron Li and Mr. Ho Ting Hoo, current teachers Mrs. Sandy Hsu, Mrs. Cindy Lau, Miss Lee Miu Sheung and Mr. Alvin Yu. A majority of them stayed till the last minute of the party (a reflection of how good it was)!

For background music, we had all our favourite mid-90s Cantonese hits. The fact that we were able to sing along is solid evidence that we have left St. Paul's for a LONG time.

Some of us thoughtfully brought with them their photo collections recording our days of glory in St. Paul's; some even brought along their school work back then.

The highlight of the night was the Birthday Song to Mr Ho Ting Hoo, in celebration of his 70th birthday. The A. Maths class did it 20 years ago in the School Hall during our mock exam (in a stupid attempt to stop him from collecting the exam papers). The Rubik's Cube Birthday Cake was a masterpiece by our Head Chef of the Class Ling Kay (5F, 1996).

A big thank you to the school janitors led by Fu Gor for their support during the event.

As I said on the stage, Class of 1996 and teachers, see you again in 2021, our Silver Jubilee Anniversary!

1997

The Class of 1997 hosted a reunion dinner at the School Hall on 10th October, 2015. With over 70 good friends and their families, and more importantly, the teachers, everyone enjoyed a night full of fun and laughter!

2005

Steven Chow (2010, 5A) is now doing his final year in the University of Manchester. The below picture shared his reunion with his form one classmates in London.

From left: KC Cheng, Herman Yim and Steven Chow

2016 Chinese New Year Spring Dinner

Group Photo taken by Frank Ng (Class of 66)

The Annual Chinese New Year Spring Dinner for the SPC Alumni (San Francisco Bay Area) was held on Saturday, March 5th, 2016 at China Village Seafood Restaurant in Belmont California. The event was a success with a record-high attendance of 28 alumni (Class of 65 to 2010) and their family members (44 total attendance).

The party began with the tradition of singing our school song, followed by a slide-show talk by former SPC teacher Andrew Cheng of his recent trip to Galápagos. After seeing the beautiful photos by Cheng Sir, the party was immediately followed by auctioning off a few SPC sweaters donated by Kenneth Yim (class of 68) and Eddie Yim. The fund collected from the auction was donated to cover the cost of the dinner event.

After a brief break, our visiting scholar and SPC alumnus Dr Kam-Chow Wong (Class of 68), Professor of Criminal Justice at Xavier University at Cincinnati, Ohio USA, gave a talk on the Umbrella Movement and the recent Fish-ball event in Hong Kong. With his unique background as a former police in Hong Kong, as well as a security consultant to United Nations, Hong Kong Police and

China's Police Force, Dr Wong talk was captivating and provided unparalleled insights to the backgrounds and on-going political and security issues in Hong Kong.

Finally, special thanks to Tenny Doone (Class of 68), the super organizer of the event; Kenneth Yim and Eddie Yim for donating the SPC sweaters for the auction to lower the cost of the event; Mrs. Rainbow Wong, Dr Kam-Chow Wong's wife, as the treasurer of the evening; and Frank Ng being the photographer of the event. The photos of the event is available at <https://www.smugmug.com/gallery/n-dwqWWs/i-BK32g26>.

P.S. Chris Chen (Class of 67) and Frederick Wong (Class of 88) were elected as new co-organizers for SPC Alumni (Bay Area) as Tenny Doone retired after more than a decade organizing gatherings and outings for the alumni. Thank you Tenny for all the hard work he had done for the SPC Alumni in the Bay Area and around the globe.

Left-Right: Chris Chen (67), Tenny Doone (68), Frederick Wong (88)

Mentorship Programme

WHY DO WE HAVE SO MANY ENTREPRENEURS AT SPC?

At the 160th Anniversary Dinner 5 years ago, a few of the speakers mentioned that students at SPC felt a 'locus of control' when it comes to clubs, societies teams and service groups. They feel that they are the ones who determine the course of action rather than merely being directed as humble functionaries.

Oddly enough, students at SPC today fell much the same way nowadays. Almost all club members have significant decision making independence, with the club adviser seeking a mentoring rather than a directing role.

So, what is the impact of this tradition?

One of the most important consequences is the growth of entrepreneurship and management skills. Students at SPC seem disproportionately willing to take on start-ups, or rise to management positions within existing companies because they have the experience of having done so at a relatively young age, and learned through trial and error. Undoubtedly, part of this rise of entrepreneurship is a result of family heritage or personal initiative, but almost all SPC entrepreneurs were also leaders in the clubs, and societies at SPC and often were instrumental in starting new groups or extending established ones.

Two examples of this were present at the recent Mentorship High Table Dinner and in the news. The master of ceremonies for the High Table Dinner, Jerome Ng, has started up his own businesses and sees the life of a business entrepreneur as a natural fit. He says that not many start-ups will work, but you

have to be willing to take chances and read the market judiciously in order to gain success. Also, being aware of market trends and anticipating demand is a key to being a successful entrepreneur. It's not all about making money- rather, it's more about controlling your own destiny and building from the bottom up. Another 'millennial' graduate attending the high table dinner, Justin Lau, has also been involved in starting up a business and was featured in a half-hour news piece on VUE TV concerning live action versions of computer games here in Hong Kong. Justin saw it as a natural progression, and believes that the market is fluid here in Hong Kong, and that entrepreneurs in Hong Kong need to adjust to the market and come up with innovative approaches, particularly for the leisure market.

SPC graduates have the will, the ability and the experience to succeed in the marketplace. First and most important for our budding entrepreneurs, they have the will to try, and work hard to reach their goal- the best of the Hong Kong spirit and SPC spirit combined.

Global Classroom

Berlin

The Chinese New Year had more meaning to the four students from Form 3, Kwok Wai, Christopher Kwan, Victor Ip and Carlos Cheng, who participated in the Exchange Programme to Berlin, Germany. They could only enjoy one day of their holidays and departed on 6th February, 2016. The first three days of the lunar calendar was spent in the classrooms of Phorms Mitte, a bi-lingual school close to the area where East and West Germany met. In fact, part of the Berlin Wall is within walking distance from the school.

The exchange was a three weeks programme during which four students from our school would be hosted by four families from the school. They spent the 22 days with their buddies the whole time. There was no sightseeing planned for the group. That would be at the discretion of the hosts. In turn, our students will play host to the four German students when they had their term break in October, 2016.

The photos taken by the students showed that they had more than three weeks of German school life. Thanks to the hospitality of the host families, they had experienced more than any tourist could have imagined.

山東文化考察團2016

中文科、中史科合辦

對象：中三至中五同學

日期：2016年3月23日至3月28日(六天)

城市	主要參觀景點
青島	小魚山、海軍博物館、五四廣場、奧運主題公園、嶗山風景區
濰坊	楊家埠民俗大觀園、十笏園
淄博	中國古車博物館
濟南	趵突泉、大明湖
泰安	泰山、南天門、玉皇頂、岱廟
曲阜	孔府、孔廟、孔林

團員心聲摘錄：

我很久沒去過一個這麼難忘的旅行。旅行當中我真的學到了很多新的知識，例如泰安最出名的食物是煎餅捲大葱，青島曾經被德國管治過等。旅程中還體驗到一些香港不可能會感覺到的事，如跟朋友老師一起在橫風下吃雪糕、搭高鐵吃薯片，整個旅程真的是「體現中國文化、深化書本知識，豐富老師與同學、同學與同學之間共同經歷」。

3A 譚宇謙

在這個考察團，我學到很多知識，但我覺得我學到最多，也跟知識一樣甚至更重要的是自理能力。在香港生活多年，我從來沒有真真正正獨立過，身邊總有家人和工人幫我處理日常事務，但這次到了山東，我每天要自己收拾個人物品、為手機充電，準時起床等等。雖然這次考察不是什麼幾星期長的獨個兒生活，但對我來說這已經是一個很大的突破。真的，我覺得自己好像升了級一樣。總括而言，這六天帶給我很多歡樂。

3B 胡沛霖

遊覽那麼多地方，也不能盡說。我們午餐分3組，我們那一組的歡笑聲永遠是最大的，怎麼說呢，和他們一起雖然有時候比較辛苦，但是大多數時間也是開心愉快的。總體來說吧，這一次的考察我不僅學到了歷史、文化方面的知識，還學到如何一個人在外面生活要注意的事項。各樣有用的生活技巧，相信在漫漫人生路上一定會幫得上忙！感謝每一位老師放棄了自己的假期，陪我們這一群男孩出去考察，還要照顧我們，真的是辛苦了！

3C 洪鎮峰

這是我第一次和同學出外考察，所以出發前還是有點擔心，不過出發後我發覺我的擔心是多餘的，因為大家在行程中互相扶持幫助，例如在泰山爬樓梯會扶其他同學，晚上又聚在一起於房間談天吃東西，吃圍餐時互相幫其他人夾菜，這些經驗在香港幾乎是不可能發生的。這次考察團學會的知識固然重要，但更重要的是，促進了我和同學之間的關係，這次的考察團絕對是我人生不可磨滅的回憶。

4A 謝鍵濠

團隊工作，團友一起的幫忙是此團難能可貴的地方。身為團長，責任無疑是重大的。我既要照顧好同學，亦要兼顧好老師的指示。要兼顧兩方真的不容易，但是，有了大家的幫忙，守秩序，做好老師所要求之事，亦減輕了我的負擔。我們和同學，老師，在團中有講有笑，真的別有一番趣味。認識到一班中三、四的同學，簡直是驚喜。大家分享學校的點滴，這才是真正的遊學經驗，令人難以忘記。

5E 張程朗

Go Fun Dragon Fearless Run 2016

A record entry of thirty-seven students and staff members from our College participated in the "Go Fun Dragon Fearless Run 2016" (高分猛龍慈善跑 2016) on 24th April, 2016.

The charity run was organised by Kim Mok, an alumna with a visual impairment. Mr. Mok is, in fact, the founder of the Fearless Dragon Running Team (猛龍長跑隊), which are composed of people with visual or hearing impairment.

While being a healthy exercise for all the participants, the charity run at the same time provided them with an opportunity to run for a good cause.

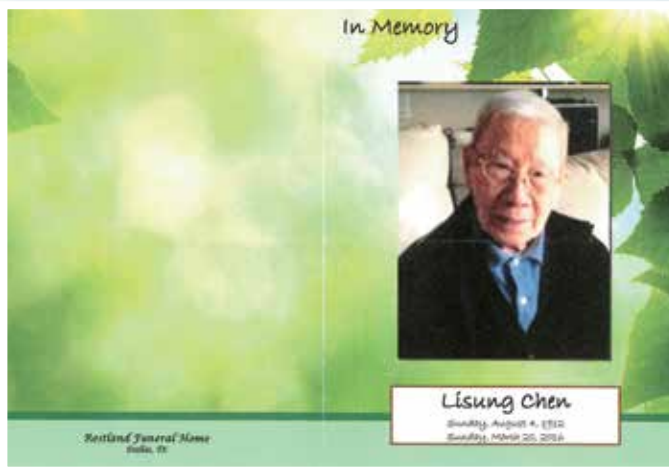

Obituary

Mr. Chen Li Sung

Mr. Chen Li Sung passed away in America at the age of 103. He was our former Head of Chinese Department. Mr. Chen spent 27 years teaching Chinese in St. Paul's College until he retired in 1977.

We mourn the loss of a tremendous individual, a respectable teacher and a valued colleague. Our hearts and prayers go out to his family as they go through this difficult time.

In Memory Of
Lisung Chen

Place of Interment
Restland Memorial Park
Woodland Estates
Dallas, Texas

He was born on 8/4/1912 in Chengde, Kwangtung (Guangdong) province, China east of his childhood in Bangkok. He was later educated at Pui Ying Secondary School in Canton, Kwangtung. He entered Yenching University (清華大學) in 1931 to study sociology, majoring in Chinese literature & history. Upon graduation in 1935, he pursued graduate studies at Xue Ya College (學雅學院) in Canton.

When he returned to the Pacific in 1940, he worked for the Chinese government in Hanoi, the wartime Asian capital. Shortly after the war, he was assigned to a wartime research project for the Chinese government & the UN. He subsequently attended graduate school at Washington University in St. Louis.

After his post in Hanoi in 1947, he also took up an appointment as an assistant "Southeast Asian Peninsula History" at the National Eastern Language Institute (華東師範大學). His earlier publications included a complete Chinese translation with the title of the book "The History of Siam" by English author W.A.R. Wood. That book chapter he previously translated & published in Bangkok's Chinese Daily newspaper magazines while working as their correspondent in Bangkok, Hanoi & the U.S.

In 2005, he lived in Hong Kong where he served as the Dept. Head of Chinese History at St. Paul's College for 27 yrs. & published several reference books for his School Certification Exams. Upon retirement, he taught at Tang Shiu Kin (唐錫麟) School at 1979, & then resumed at Shue Yan College (新約書院) in 1991.

His other interests included Chinese calligraphy, gardening, reading, book- & video in Hong Kong. He was an active member of Pui Ying & Yenching alumni orgs., St. Mary's Church, Chin-Chow & Siamese Culture & Educational Assoc., 廣東同鄉會 & poetry societies. He frequently contributed writings & calligraphy publications. He had served as the secretary & chairperson of the Yenching Alumni Assoc. in Hong Kong, & continued to be a consultant in the university's mainland alumni assoc. after 90 yrs. old.

He died in the U.S. in 2006 & had since resided with his daughter's family in Plano, Texas.

Mr. Thomas Cheung (Class of 2003)

It is with great sadness that we announce the passing of a member of our College's alumni community. Mr. Thomas Cheung, a firefighter and alumnus of the Class of 2003 (F.5) & 2005 (F.7), passed away in the line of duty on 21st June, 2016.

We will remember Thomas for his courage and selflessness in battling a fourth-alarm blaze in an industrial building in Ngau Tau Kok.

Thomas joined our College in 1998 and completed Form 7 in 2005. As an outstanding basketball player, he was twice presented with a certificate in recognition of his numerous contributions to the extra-curricular life of the College. Many of our teachers and alumni will also remember Thomas for his helpful, giving and generous nature.

Our heartfelt thoughts and prayers go out to the family, especially during this difficult time.

Requiescat in Pace (Rest in Peace)

Thomas Cheung, F5 2003-2004 Form 7 2005-2006

It is rare when a young man of potential is cut down in the flower of youth. It is rarer still when the man has just started his own family and had solid prospects ahead. When that young man is part of the SPC family, we feel it all a little more deeply.

Thomas Cheung was liked by all at SPC. He had a cheeky grin, a stylish haircut, and a kind word for everyone. He was a good student who was humble, kind and generous of nature. As a member of the SPC basketball team for seven years, Thomas was always reliable and dependable- the right person in a crisis. As a student, he was always diligent and determined from the time he entered in 1999 until his Form 7 graduation in 2006.

Thomas was neither a hero nor a superstar. He was a young family man who was doing his duty until this bitter end. He represents the finest qualities of SPC graduates-single-minded, hard-working, a solid contributor who puts others first.

Our deepest sympathies go to his family on his untimely passing. He will always remain a member of our family at SPC. The entire SPC community mourns his passing.
